His Excellency Muhammad Yunus
Prime Minister of People's Republic of Bangladesh
Bangladesh

Dear Honourable President,

Season Greetings. We are writing with a deep sense of concern regarding the escalating violence against the Hindu community and other religious minorities in Bangladesh. As a friend of the people of Bangladesh, we implore you to take immediate action to prevent further atrocities and ensure the protection of all citizens, regardless of their faith.

Bangladesh has a rich cultural heritage of pluralism, however, recent reports indicate a worrying rise in violence, particularly targeting Hindus, and this threatens the very fabric of your nation's social harmony. The government of Bangladesh must restore law and order and protect every citizen from violence.

Such internal instability threatens also undermines Bangladesh's political and economic future. Bangladesh's economic development is inherently tied to regional cooperation with India. Political stability and peace within Bangladesh will naturally lead to greater economic opportunities that will benefit both countries.

We urge your government to enforce the rule of law effectively. This is the bedrock on which any meaningful economic development and political stability can be built.

We sincerely hope that you will take the necessary steps to ensure peace and security for all citizens and work towards building a brighter future that avoids the tragic path of civil conflict. Thank you for your attention to this urgent matter.

Yours Sincerely,

Ahimsa Foundation

Anil Jain
