JAIN GROUP CANCEL TURKEY TRIP

More than 800 members of the Jain Lotus Group in Ahmedabad, Gujarat, have cancelled their post-Diwali travel plans to Turkey. The Jain Lotus Group is among a growing number of Indian travellers who are scrapping trips to Turkey and Azerbaijan in protest. Both countries publicly backed Pakistan following heightened tensions between India and Pakistan in the wake of Operation Sindoor and the April 22 terror attack in Pahalgam. "Bookings for Azerbaijan and Turkey decreasing by 60% while cancellations have surged by 250% during the same period," While Azerbaijan released an official statement echoing Pakistan's position on the conflict, Turkey supported Islamabad's call for an international investigation into the Pahalgam attack. Turkey has also previously supplied arms to Pakistan.

BUDDHA PURNIMA GREETINGS FOR WORLD PEACE

On this sacred occasion of Buddha Purnima, let us remember the timeless teachings of Lord Buddha, who illuminated the path of non-violence, compassion, and inner peace for humanity. May the gentle light of wisdom dispel the darkness of ignorance from every corner of the world. May we embrace kindness over cruelty, harmony over hatred, and mindfulness over mindlessness. As we celebrate the birth, enlightenment, and Mahaparinirvana of the Enlightened One, let us pledge to follow his noble path-To live simply, to think deeply, to act selflessly, and to cultivate peace not just within ourselves, but in our homes, societies, and nations. Let this Buddha Purnima be a reminder that true peace begins from within and radiates outward. In a world torn by conflict and division, may the Dhamma guide us toward unity, tolerance, and universal brotherhood.
